

DEGENT

# ABOUT

Degent.ai is an innovative platform that integrates artificial intelligence with live streaming to offer real-time predictions and rewards. By leveraging advanced AI technologies, it provides users with intelligent insights during live events, enhancing engagement and interactivity. Degent AI's unique approach allows users to receive immediate predictions and earn rewards, creating a dynamic and immersive experience.

# How It Works

1. Predict Prices Join live prediction challenges on trending tokens. Place your prediction on price and earn on spot alongside fellow degens.
2. Spin the Wheel Complete Socialfi tasks for free Spin credit or spend DEGENT tokens to spin the wheel. Spin on USDT, SOL, DEGENT. Easy cashout 💰
3. Join the Livestream Catch Degent.ai LIVE on Twitch, X, or Kick as there will be degen rewards from partner projects

# Why Choose Degent.AI?

1. Innovative AI-Driven Solutions: Leveraging cutting-edge AI to optimize decentralized finance strategies.
2. User-Centric Design: Intuitive and accessible platform tailored for both seasoned traders and newcomers.
3. Secure and Transparent: Built on a robust blockchain framework with transparency at its core.
